An Update on the **Wilmore Wastewater Pipe Replacement Project**

Wilmore Wastewater Pipe Replacement Project

WHAT: Contractors for Charlotte Water will continue construction work and restoration activities for a wastewater pipe replacement project in the Wilmore neighborhood.

WHEN: Ongoing, with expected completion by spring 2020.

WHERE: Crews will continue restoration activities along Spruce Street, Wilmore Drive, West Boulevard and W. Kingston Avenue between 8 a.m.-5 p.m. on weekdays. Crews will continue pipe installation on weekdays and on select nights and weekends along S. Tryon Street between W. Kingston Avenue and W. Park Avenue (*see map*).

CONSTRUCTION ACTIVITIES TO EXPECT:

Work on nights and weekends – Due to North Carolina Department of Transportation requirements, crews are restricted to working the following days/times along S. Tryon Street, which includes work on nights and weekends:

- **Weekend work 24/7:** Friday, January 10, at 6 p.m. through Monday, January 13, at 6 a.m.; Friday, January 17, at 6 p.m. through Monday, January 20, at 6 a.m.
- **Weekday work 10 a.m.-3 p.m.:** Monday, January 13, through Friday, January 17

Lane closures around work area – Motorists should follow all traffic control signs to navigate around the work. Lane closures will be in place along S. Tryon Street.

Pipe delivery and storage – Pipe is delivered and stored within the construction easements.

Pipe installation – Trench digging, placing pipe and backfilling.

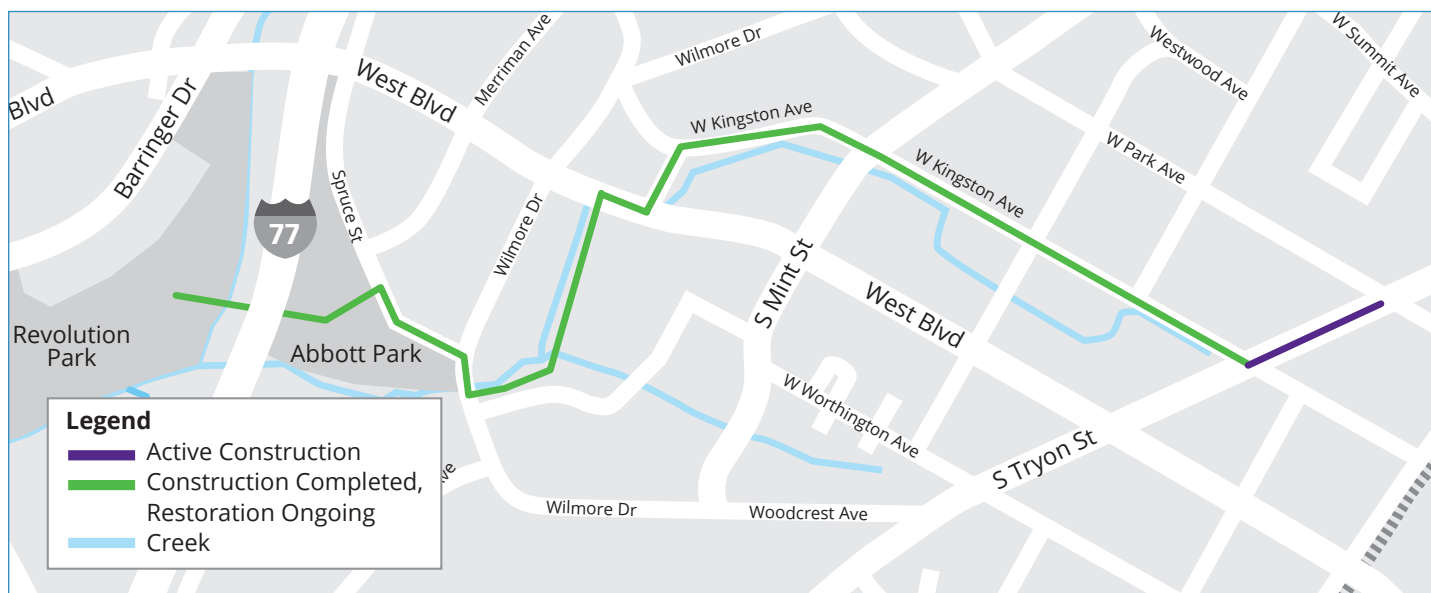

Construction traffic (dump trucks) along the alignment, within easements.

RESTORATION ACTIVITIES TO EXPECT:

After construction is completed and the pipe is in service, restoration will begin.

- Paving and curb and gutter
- Grading the soil
- Seeding area with annual ryegrass
- Applying straw mulch
- Installing permanent fencing that was removed during construction
- Restoring creek banks

NEXT STEPS: Final restoration activities from Spruce Street to S. Tryon Street will be completed by the end of December. Pipe construction and final restoration along S. Tryon Street is expected to be completed by spring 2020. Schedules are subject to change, due to weather and other conditions.

QUESTIONS: Please visit the project website at www.charlottewater.org (click on “construction projects”) for updates on progress. If you have a question, please contact project engineer Matt Bedford, 704-336-1009 or mbedford@charlottenc.gov.
